Call to Worship

Leader: From where we have come to this place of worship

**All: God you are with us in the midst**

Leader: From the familiarity of what we have known both in the world and in this meeting place to the wonder of what you will reveal to us in our daily lives and in the transition to our former sanctuary

**All: God you are with us in the midst**

Leader: God, you continue to shape your kingdom as you are transforming us individually and corporately to be your people, walking with each other in the world.

**All: God you are with us in the midst**

Leader: We are grateful to you, God. You are love. You love us. You love our neighbors and the world.

**All: Thank you, God! You are with us in all of life and its transitions, teaching us to love others as you have loved us.**
